

# NeuroLicensing 2020

## NeuroLicensing 2020

**NI** Research

*NeuroLicensing 2020* is NI Research's completely revised and updated review of current trends in CNS deal parameters, and candid assessments of the major and midsize companies involved in CNS inlicensing. Licensing agendas and performance are reviewed and appraised. NL 2020 will be a vital resource for licensing efforts on both sides of the transaction, both licensors and licensees.
